David age 16

" I first attended SHA while I was at school. I enjoyed playing pool, but then gained an interest in snooker. Initially, I wanted to improve my technique and develop my game. That was only the beginning of my journey, as I achieved so much more and acquired a wide variety of knowledge and skills.

I progressed quickly and passed all six awards. Now I am a qualified SHA tutor, delivering the UK Snooker Award programme at the Stephen Harrison Academy in Sheffield. "
